

September/October Update

In late September, we got to be a part of Plano Bible Chapel's (PBC) Global Missions Weekend. Small groups hosted missionaries that PBC partners with and were able to hear updates on their ministries. We were able to share our ministry with our pastor's small group on Friday evening and heard from one of PBC's missionaries on Saturday evening!

On Saturday morning we had a breakfast with a missionary discussion panel. Since we are the newest commissioned missionaries with PBC we got to be on the panel and share about our vision for the work we will be doing in Perú.

It was so encouraging for us to hear from more experienced missionaries about how God has been using them in various ways. God is doing so much all over the world and we only know about a fraction of it!

Sunday morning during fellowship hour, a missionary couple who is serving in Indonesia shared all about their ministry.

Above is a picture of Marcos in his little interpreting booth (circled).

During the worship service, we sang in English, Spanish, Malayalam and Urdu, we had scripture reading in Vietnamese and prayer in Korean; it was beautiful to hear God being praised in so many languages! It felt like a small taste of what heaven will be like someday.

Marcos and our friend, Claudio, have been leading a Wednesday night Spanish Bible study through the book of 1 Peter. On Sunday mornings we are going through an Old Testament survey Bible study. Please pray for our Spanish ministry! We have grown to love this group dearly and it will be so hard for us to leave.

We were invited to share our ministry with Wylie Gospel Fellowship. Allyson's brother, Alex and his wife Sarah, attend there. We have visited their church a few times now and each time is a blessing!

Marcos preached a sermon over 1 Peter 1:3-12, God's purpose in our suffering.

What can you do to help?

There are several ways that you can help us!

First, we would really appreciate your prayers. We truly believe that prayer is the foundation to every successful ministry.

The second way you can help is to talk about us! If your church is looking for missionaries to partner with, we would love to have that conversation.

Thirdly, we would be thrilled to present our ministry to your small group/home group! If this is something you're interested in, just respond to this email and we can talk more about it.

Prayer requests

- Please pray for us as we prepare to become a family of four! Especially for Judah as he transitions to being an older brother.
- Pray that we would be ready to move to Perú by our goal date: the end of April.
- Pray for us as we go through the process of building our support team.
