

# *July 2026 Prayer Letter*

Dear Family and Friends,

I'll start by quoting David in Psalm 145:21 *"My mouth will speak the praise of the LORD, and let all flesh bless his holy name forever and ever"* and share with you a few reasons why we are praising God this time.

We praise God for the evangelistic concert at the end of May. Thank you so much for praying for that event. Although we had some funny experiences to remember such as: the GPS making the musicians drive through a narrow portion of the old town with a 9-passenger van, or that the company in charge of stage lighting confused the dates, or that we overlapped with other events in town....

Despite some funny and somewhat frustrating details, God was in control and **the concert was amazing**. The audience heard the gospel presented in a clear, concise, and beautiful way between pieces of music that made them consider the beauty and greatness of God. We can't wait to do it again next year, Lord willing.

Sharing the good news of Jesus through music

We praise God for the work He is doing in our church! This past weekend we only had two empty seats! We praise Him for the people that are coming, how they are learning to interact with the Scriptures, and the friends and family members that are being invited to come and know Jesus. These past months we have had **several visitors** who have said how welcomed they feel and how nice everyone is. They have questions about God, but they don't regret accepting the invitation from their friends and family and will consider coming back. To me, this is huge; because we see that **people need repeated exposure to the gospel and to the people of God** to trust the messenger and receive the message.

We praise God for opportunities of discipleship! We have had 4 more people attending our Wednesday evening Bible Study. I have been able to spend some more time counseling people at church. Three young adults have expressed their desire to be baptized this summer! We hope to host a **baptism service at the end of July**.

We praise God for a fun time for rest with family. We just returned from a trip to Galicia where we spent some time with my (Victor's) dad and sister. We had a great time with them, enjoyed cooler weather, played at the beach, and ate some delicious food. While we were out of town, we also had a chance to see people from church step up into service and leadership and we pray that this desire to serve and lead in the church will continue to grow in them.
